

Sponsorship at PyWaw Summit 25-26th May 2015

`.pywaw`summit

PyWaw Summit is a conference organized for everyone interested in Python-related technology, taking place in Warsaw, Poland on 25-26th of May, 2015.

Two days of great talks in English led by a mix of local and international speakers. The aim is to provide valuable content in a friendly atmosphere that favours experience sharing and fun.

After 3.5 years of regular monthly meetings and over 100 presentations PyWaw - Warsaw Python User Group - in collaboration with other polish Python community groups is organizing an international event to invite even more amazing speakers. Willing our community to grow, PyWaw decided to go one step beyond and organize a conference that makes a dent in the Python universe!

Benefits of becoming a sponsor:

- You will be recognized as a company that supports the community.
- You will meet experts and share ideas.
- You will have an opportunity to promote your products and services.
- You will have a possibility to encourage software developers who care about their skills to join your company.
- You will attract attention of IT workers among other companies.

Sponsorship options:

Supporter sponsor

You will be included in sponsors section on our website.

You can place a leaflet in the starter packs that will be handed to each participant.

We will provide information about you on our promo channels with link that you provide.

You will be included in “thank you” during the conference closing.
